A screenshot of the 'TechWerk Pedidos' tax calculator application. The window title is 'TechWerk Pedidos'. It contains several input fields and calculation sections. At the top, there are fields for 'Número do Pedido:' (containing '532725329418') and 'Data do Pedido:' (containing '04/08/2017 14:02'). Below this, there's a section for 'Itens do Pedido' with a table for 'Produto', 'Valor Unitário', and 'Valor ICMS (R\$)'. To the right of this table are fields for 'Total ICMS', 'Total IPI', and 'Total'. There are also fields for 'Alíquota ICMS', 'Red Base Calc ICMS', 'Base Cálculo ICMS', 'Total ICMS Item', and 'Total IPI Item'. At the bottom, there are buttons for 'Calcular' and 'Adicionar Item', and a 'Limpar' button at the very bottom right.
